AVAILABLE: April 2010
APPELLATION: Stellenbosch, South Africa
VARIETAL PROFILE: This wine is rich in every way – deeply coloured, aromatic and very flavourful. The nose has green and black pepper and a hint of spice. It is full bodied with a fruit component – cassis, followed by a layer of darker flavours – cigar box and leather. There are hearty, chewy tannins from the Merlot GenuWine Winery Dried Grape Skins.
FOOD PAIRINGS: This wine will pair beautifully with flavourful foods such as goat cheese, game birds, babagrounch or curries.
