How We Spent Our Winter Vacation

We had the most FABULOUS vacation! But it wasn't all fun and games. We spend a significant amount of time studying the indigenous alcoholic beverages of the region. Our appreciation of the alcoholic beverages from **Grape Expectations** has, once again, been confirmed.

People ask us what our secret is for staying together for so long. We always tell them the truth... **DRINK GOOD WINE** and laugh together every day. Happy Valentine's! May your love flourish.

Ignoring that nasty snow...We think our new awning looks GREAT!!! Drop in or give us a call and let us know what **YOU** think. There's a little present in it for you, too! 'Cause we appreciate your comments.
